Race day info.

Race starts at 11am from the Durango Cyclery. Race day reg is from 8-10am. We are not doing any type of staging. Pro's in the front and so on down the line. We will be doing a parade start down main ave and turning left on 8th street. One police moto will lead us. We ask if you could please not cross the yellow line until the moto signals the start. We will not have a huge feed station anywhere so pack enough water and food for 2-4 hours. There is water at the end of the ridge loop, but you must stop and get it yourself. We will be pulling riders who do not complete the Raider Ridge loop in 2.5 hours. Please do not drive to the start. After you finish, it is a quick 5 minute downhill ride back to the Durango Cyclery.
